

# Partner Program

ELMO offers an award-winning suite of cloud HR, Learning and Talent Management solutions that can help your clients streamline processes, from 'hire through to retire'.

## Why ELMO?

| Support your clients to grow

| Stay focussed on what you do best

| Improve the scope and value of your offering

## About ELMO

| 600 employees

| Over 3,000 customers and growing

| ISO 27001:2013 certified

| 30% of revenue is reinvested back into research and development (R&D)

## What's in it for you?

We've kept things simple. For any referred clients who choose ELMO, you will receive 30% of the first year value as a gesture of our thanks for expanding the ELMO clients.

# Reasons to partner with ELMO:

| Product training

| Collaborative opportunity development

| Marketing resources

| Exclusive events and webinars

## Interested in partnering with us?

The partner programme welcomes anyone who identifies the benefits to clients of improving their digital people management processes. This typically includes HR consultants, software vendors, recruiters and accountants.

To learn more and join the ELMO Referral Partner program, please get in touch with our partnerships team: [contactus@elmosoftware.co.uk](mailto:contactus@elmosoftware.co.uk)
